June, 2018

Dear Valued Client,

Effective June 5, 2018 we will increase the charge for our sign installation service by \$2.00 per sign installation. Our standard charge for residential yardarm post installation will be \$51.00, while standard commercial sign installations will be \$76.00. Removal of signs will continue to be performed at no charge. For additional pricing information please visit www.signpros.net/ratechange.htm, or contact our office.

This increase is to compensate for rising expenses associated with performing our service. Increased traffic, administration of 811 utility locates, tolls, licensing fees, and labor rates are all contributing factors.

We look forward to servicing your future sign needs, and thank you for your continued support.

Sincerely,

The Sign Pros Team
