July, 2020

Dear Valued Client,

Effective July 15, 2020 we will implement new pricing for our sign installation service. Our standard charge for residential yardarm post installation will be \$55.00, while standard commercial sign installation will be \$80.00. Removal of signs will continue to be performed at no charge. For additional pricing please visit [www.signpros.net/services.htm](http://www.signpros.net/services.htm), or contact our office.

This change is to compensate for rising expenses associated with performing our service. Increased traffic, highway tolls, licensing fees, and labor rates are all contributing factors. We will continue to perform our service in the most efficient way possible, with the objective of minimizing future price increases.

Thank you for your continued support.

Sincerely,

The Sign Pros Team
